Dear NHCA member,

It is the season for giving and the NHCA Foundation Board would like to relay several requests.

First, we would like to remind you that the Foundation has awarded a total of 6 student research awards (2 per year) over the last 3 academic years. These awards of \$1500 each are given to assist students with research projects relating to the prevention of NIHL and hearing conservation. We would encourage you to make a tax-deductible gift to the NHCA Foundation to help support these awards for future students. How about a gift before the end of this year?

Second, the Foundation assists students with travel to the annual conference and plans to assist at least 3 students with their expenses to next year's annual conference. Your financial support is always welcomed.

Third, we are in need of raffle/auction items for next year's NHCA conference. Please consider donating an item of value for these events so we can continue our support of students as mentioned above.

Fourth, if you are a golfer (or not), just remember we have planned a fun golf outing during the conference as an additional fundraiser.

Your gift will help current students as they become the professionals of the future. These professionals will continue our efforts of preventing NIHL and conserving hearing.

Please make a gift to the: **NHCA Scholarship Foundation**
7995 E. Prentice Avenue, Suite 100
Greenwood Village, CO 80111-2710

Thank you and happy holidays with best wishes for the upcoming year. See you at the annual conference!

James E. Lankford
President of the Foundation
